CRAFTED FOR LUXURY.

Exceptional Homes and top-of-the-line window products complement one another with a sophisticated elegance. When choosing windows for your fine home, look no further than West's Allweld III for new construction or West-Elite for replacement. This line of windows provides homeowners with an array of options and features that are sure to attract those who have an eye for beauty and style at the highest level. Crafted with only the finest materials, you will notice the difference.

FOCUS ON EFFICIENCY

To us, efficiency means an intentional focus on doing the right things for our customers. West's windows are crafted with an attention on efficiency in multiple areas such as craftsmanship, style, beauty and energy efficiency that provides you with year-round comfort. Customers who value strength and durability can efficiently choose from a variety of features to fit their personal style and needs.

THE LATEST IN VINYL WINDOW DESIGN TECHNOLOGY, HIGH PERFORMANCE OPTIONS, AND CUSTOM CRAFTSMANSHIP.

1 FIN WEATHER SEAL

Our Fin Seal weatherstripping provides a barrier to water and air.

2 CARDINAL LoE³-366 GLASS

- Annealed and Insulated for maximum value and performance.
- 1" thick insulated glass allows Triple Glazing for supreme energy performance.
- Argon Gas filled glass and Warm Edge spacer provide outstanding energy performance.

3 LIFT & PULL RAILS

Functional details for easy use and maintenance.

4 TELESCOPING SILL DESIGN

Provides strength and performance.

ENERGY STAR qualified versions of this product are available for whatever region your home is in. Ask your sales representative for details.

CRAFTED FOR STYLE

Graceful contours along with elegant bevel details create a timeless look.

NEW CONSTRUCTION

Allweld III series

1-1/2" nail fin extrusion that has built-in grooves to accept a variety of vinyl accessory trim pieces for new construction.

WINDOW REPLACEMENT

West-Elite series

A box-frame specifically designed for window replacement.

ENDURING STRENGTH AND BEAUTY.

Our highest quality welded windows evolved into our top two signature West Window series that fit your needs while providing uncompromised strength and beauty.

To take advantage of the latest window design technology, high performance options and custom craftsmanship, consider the Allweld III or West-Elite window series for your home.

ALLWELD III

WEST-ELITE

Why

West Window

ULTIMATE COMFORT

The West Premium Selection comes standard with **LoE³-366** glass, Argon Gas, Warm Edge spacer and Fin Seal weatherstripping. Outside noise is reduced with these features along with available triple glazing for maximum thermal performance.

MAXIMUM STRENGTH

Designed with strength and durability in mind, additional reinforcements can be added to meet higher wind zone requirements.

CONFIDENCE

Beauty and efficiency come together in this uniquely contoured exterior frame. Its graceful contouring, along with elegant bevel details on the sash rails create a timeless look.

CUSTOM OPTIONS

Windows accent the beauty of your home. You can create a custom look that fits your home's style and character when you select from multiple options that include color and grid design.

STANDARD VINYL COLORS

INTERIOR/EXTERIOR

Euro White

Tan

Custom Color matching is also available.

Replacement orders may require a custom color match.

EXTERIOR PAINT OPTIONS

QUALITY & SERVICE

West Window

SINCE 1949

We appreciate you considering West Window. We have built a reputation of being a manufacturer that has a solid understanding of what makes us successful. The key to our success over these many years comes from our belief that this is a people business that relies on attention to details and unparalleled customer service.

Since 1949, we have demonstrated our commitment to providing exceptional products that are beautifully designed and engineered with ever-evolving building standards and energy requirements in mind.
